Continuation Sheet (PTOL-303) 09/788,131

Continuation of 5. does NOT place the application in condition for allowance because: Applicant's arguments have been fully considered but are not persuasive. The obviousness rejection under 35 USC § 103 has been withdrawn solely because of the demonstration of common ownership of the instant application and U.S. Patent No. 6,214,791. However, despite Applicant's arguments to the contrary, the instantly claimed invention remains obvious over the commonly owned '791 patent alone or in view of the respective secondary references for the reasons of record. Accordingly, the obviousness-type double patenting rejections are maintained.
